

**Wellbeing You supports the elderly/over 65s, their families and carers to take more responsibility for their health and wellbeing through:**

- use of *GP Partnership Tool* to improve communication and promote harmonious relationship with clinicians
- creating awareness and facilitation of opportunities that promote self care and preventive health among the elderly
- delivering initiatives that fulfil older people's community development aspirations

Weatherill House Business Centre,  
23 Whitestone Way, Croydon CR0 4WF
